

My Soul, Oh My Soul

Mine is a Scottish mind made up of both poetry and strong common sense. The credit for realizing that these are precisely what all modern men can and must be able to do, belongs to Sir Walter Scott.

The idea of holding two conflicting views - the old and the new - at once was manifested in the greatness of American writer F. Scott Fitzgerald nearly two centuries later,

David is a writer and historian who lives with his wife and son in Liverpool N.Y.

He was an engineer throughout most of his career.
